

India's Agricultural Crop Production Analysis.

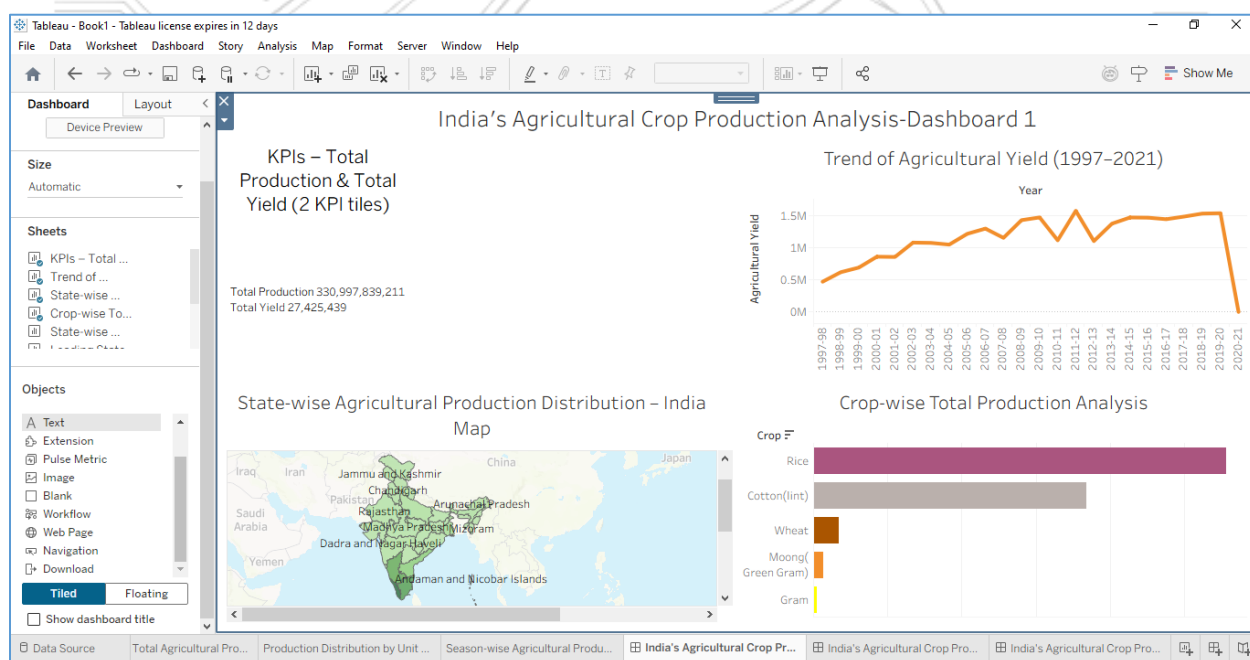

TEAM ID	2026-8827
PROJECT TITLE	India's Agricultural Crop Production Analysis
MAX MARKS	3 MARKS

6.4 – Dashboard-1

India's Agricultural Crop Production Analysis

Steps:

1. Click Dashboard → New Dashboard.
2. Set Size = Automatic/Desktop (1000 × 800).
3. Total Production & Total Yield to the Top Left.
4. Trend of Agricultural Yield (1997–2021) - Top Right.
5. State-wise Agricultural Production Distribution – India Map - Bottom Left.
6. Drag Crop-wise Total Production Analysis - Bottom Right.
7. Add the title "India's Agricultural Crop Production Analysis – Dashboard 1" (Bold, Size 20–24, Center Aligned).

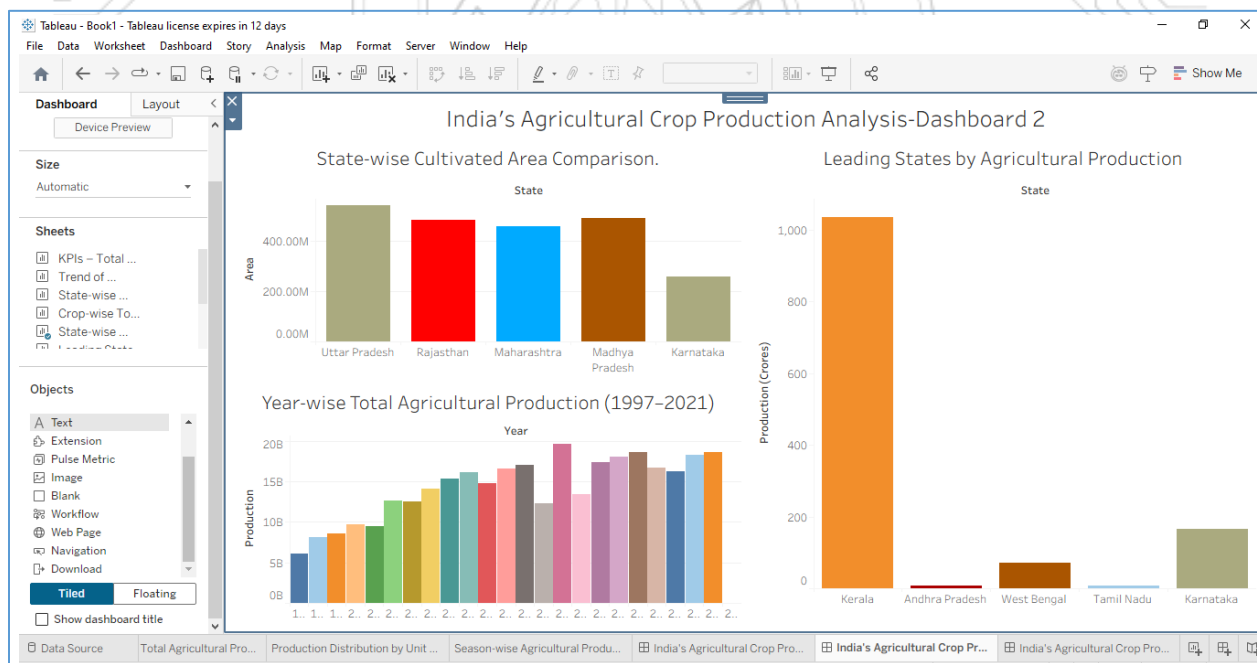

DashBoard-2

India's Agricultural Crop Production Analysis

Steps:

1. Click Dashboard → New Dashboard.
2. Set Size = Automatic/Desktop (1000 × 800).
3. State Wise Cultivated Area Comparison - Top Left.
4. Leading States by Agricultural Production - Top Right.
5. Year Wise Total Agricultural Production (1997-2021) - Bottom Left.
6. Add the title "India's Agricultural Crop Production Analysis – Dashboard 1" (Bold, Size 20–24, Center Aligned).

India's Agricultural Crop Production Analysis.

DashBoard-3

India's Agricultural Crop Production Analysis

Steps:

1. Click Dashboard → New Dashboard.
2. Set Size = Automatic/Desktop (1000 × 800).
3. Production Distribution by Unit Type - Top Left.
4. Season – Wise Agricultural Production Share - Top Right.
5. Add the title "India's Agricultural Crop Production Analysis – Dashboard 1" (Bold, Size 20–24, Center Aligned).
